

Technical Rider

This rider is for the alt-folk-pop band Paula and Karol, as played in a larger five-person band. This is our setup for larger shows on bigger stages and festival spaces. Our show is based on mainly acoustic instruments with low-fi electronic elements.

The band will bring the following instruments. The pickup equipment needed is outlined next to each instrument:

- A small drum kit (hh,snare,ft,bd)
- 1 acoustic guitar – which has its own pickup
- Base guitar – connected through line-in
- 1 violin – with its own pickup mic
- 1 melodica – condenser mic needed
- harmonium - condenser mic needed
- glockenspeil - dynamic mic needed
- stand up bass (contrabass) - dynamic mic needed, Electrovoice RE20 plus a Di-Box
- 1 CASIO keyboards –needs a mini jack stereo or mono and a d-box

We also need 5 vocal microphones

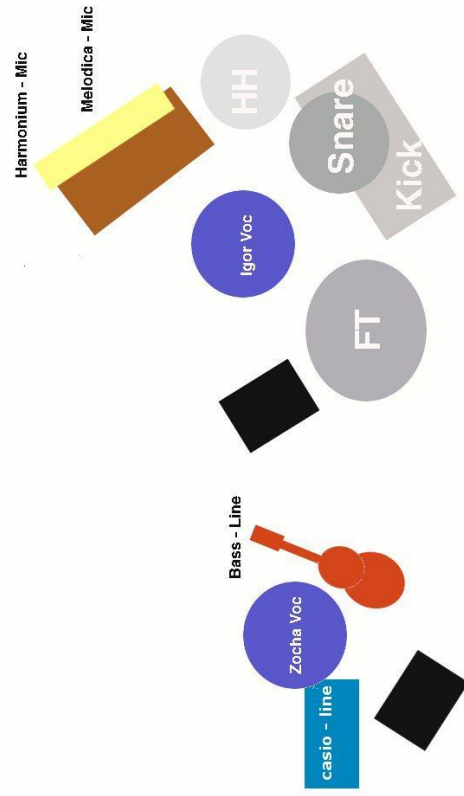

INPUT LIST:

- | | |
|-----------------|------------------------|
